prepare a 10-15-page thesis paper based on a paper previously written in an art history course, and will take a short comprehensive exam.

**Arts Management (ARM)**

**200 Intro to Arts Management (2)**
A survey of nonprofit fine arts management practices such as fund-raising, public relations, audience development and management structure. (*fall semester)

**480 Sem. Arts Management (2-4)**
Prerequisites: completion of six hours of ARM 200 and 498. Content varies as announced in class timetable. Requires consent of arts management advisor. May be repeated for additional credit if content varies. (*fall and spring semesters)

**498 Internship (1-15)**
Prerequisites: ARM 200 and consent of instructor. Involves on-the-job experience in fine arts management agencies. The Tampa Arts Council, Plant Museum and Scarfone/Hartley Galleries are representative. The internship should be taken throughout the sophomore, junior, and senior years, with 2 credit hours for seniors to combine with ARM 480, Senior Seminar. (*fall and spring semesters)

**Athletic Training (ATT)**

**175 Athletic Training Practicum I (1-2)**
Prerequisite: consent of instructor. Involves instruction and supervised practice of selected athletic training skills emphasizing taping and wrapping techniques. Completion of this course includes practical examinations and clinical hour requirements. Students must be admitted into the pre-athletic training phase of the athletic training program to be eligible to enroll in this course. (*spring semester)

**274 Assessment of Musculoskeletal Injuries (3)**
Prerequisites: ESC 270 and consent of instructor. Corequisite: ATT 276. Fundamental skills of athletic training examination and assessment, including examination approaches and techniques, assessment of status, and documentation for individuals with sport-related injuries. Emphasis placed on musculoskeletal disorders. Case studies are used to facilitate learning. (*spring semester)

**275 Athletic Training Practicum II (1-2)**
Prerequisite: consent of instructor. Involves instruction and supervised practice of selected athletic training skills covering environmental hazards, emergency procedures and assessments, and technical application of selected physical agents and protective taping and wrapping. Completion of this course includes practical examinations and clinical experience requirements. Students must be admitted into the athletic training program to be eligible to enroll in this course. (*fall semester)

**276 Athletic Training Practicum III (1-2)**
Prerequisites: ESC 270 and consent of instructor. Corequisite: ESC 274. Involves supervised practice of the skills and techniques used to evaluate and assess the injuries and illnesses encountered in the field of athletic training. Completion of this course includes practical examinations and clinical experience requirements. Students must be admitted into the athletic training program to be eligible to enroll in this course. (*spring semester)

**370 Medical and Surgical Issues in Athletic Training (3)**
Prerequisites: HSC 100, 150 and 230, ESC 270 and consent of instructor. Seminar-style class with physicians and other health care specialists emphasizing the recognition and evalu-
ation of injuries and illnesses, and the medical intervention and rehabilitation methods used for these problems. (*spring semester)

**373 Therapeutic Modalities (3)**
Prerequisites: ESC 270 and HSC 231, and consent of instructor. Studies the scientific basis and physiological affects of various therapeutic modalities. Provides knowledge necessary to make decisions as to which modalities will be most effective in a given situation. Case studies are used to facilitate learning. (*fall semester)

**374 Therapeutic Exercise (3)**
Prerequisites: ESC 340 and ATT 373, and consent of instructor. Offers didactic and practical education necessary to make decisions on when and how to alter and progress a rehabilitative program based within the framework of the healing process. Case studies are used to facilitate learning. (*fall semester)

**375 Athletic Training Practicum IV (1-2)**
Prerequisite: ATT 276 and consent of instructor. Involves instruction and supervised practice of selected athletic training skills. Completion of this course includes practical examinations and clinical experience requirements. Students must be admitted into the athletic training program to be eligible to enroll in this course. (*fall semester)

**376 Athletic Training Practicum V (1-2)**
Prerequisites: ATT 375 and consent of instructor. Involves instruction and supervised practice of selected athletic training skills. Completion of this course includes practical examinations and clinical experience requirements. Students must be admitted into the athletic training program to be eligible to enroll in the course. (*spring semester)

**475 Supervised Clinical Education Athletic Training I (2)**
Prerequisite: consent of instructor. Involves practical experience in evaluation and care of athletic injuries; includes directed and self-directed clinical experiences at the University and off-campus clinical sites. Provides an opportunity for development of critical thinking skills to integrate previously acquired knowledge and skills in clinical practice and the care of patients. There are in-services, practical examinations, clinical assessments and clinical experience requirements for completion of this course. Students must be admitted into the athletic training program to be eligible to enroll in the course. (*fall and spring semesters)

**476 Supervised Clinical Education ATT II (2)**
Prerequisite: consent of instructor. Involves practical experience in evaluation and care of athletic injuries including directed and self-directed clinical experiences at the University and off-campus clinical sites. Provides opportunity for development of critical thinking skills to integrate previously acquired knowledge and skills in clinical practice and the care of patients. There are in-services, practical examinations, clinical assessments and clinical experience requirements for completion of this course. Students must be admitted into the athletic training program to be eligible to enroll in the course. (*fall and spring semesters)

**495 Professional Topics in Athletic Training (3)**
Prerequisites: ATT 370 and consent of instructor. This course encompasses several of the professional-level competencies required for organization and administration in athletic training, including topics in budgeting, insurance, and legal issues. Case studies are used to facilitate learning. (*fall semester)
