PROTOCOL FOR PARTICIPATION IN LINKEDIN CAREER SERVICES GROUP

The Office of Career Services offers the opportunity for UT students to network with alumni and employers through a Career Services-sponsored LinkedIn group for career development and networking opportunities. All group members should understand that participating in the Career Services LinkedIn group is a privilege and should be treated with the highest level of professional and ethical behavior. As students and alumni, you represent both yourself and The University of Tampa in your interactions with employers and others. By joining the group you are agreeing to comply with the stated guidelines below.

Guidelines
1. You must be a University of Tampa student, alumna/alumnus, or an employer to join.
2. LinkedIn group members are required to adhere to ethical and professional behavior. Communications in this group should be respectful to all group members. Harassment of any kind is grounds for group membership termination and referral to the University Judicial Office.
3. You must represent yourself in an honest and truthful manner making certain that you do not intentionally falsify information in your profile, endorsements, or group discussions and other communications.
4. Promotion or sales of products or services to group members is prohibited and may result in termination of group membership.
5. Career Services maintains the right to terminate group membership to students, employers and alumni who violate ethical guidelines or NACE recruiting principles.
6. Group owners/managers review discussion posts and maintain the right to approve or not approve posts, discussions, and questions we receive.
7. Employers may only promote jobs and internships to the group AFTER they have been posted on HIRE-UT and approved by Career Services staff (see Posting of Positions below).

Posting of Positions

Career Services requires employers to post positions on HIRE-UT prior to notifying the group about new positions. Send postings to:
