Discover the superior talent that you seek!
The University of Tampa consistently produces one of the top candidate pools in the state of Florida. Connect quickly with intelligent, sophisticated, globally astute, technologically superior talent that is eager for new learning opportunities and success. Graduates from The University of Tampa have risen to prominent positions in companies all across the nation. You can count on our students to always deliver with real-world skills derived from interaction with a renowned faculty, diverse student population, and hands-on training through internships with some of Tampa Bay’s leading corporations.

With a well-rounded curriculum that stresses ethics, leadership, the arts and an appreciation for civic responsibility and volunteerism, The University of Tampa student population, and hands-on training through internships with some of the traditional recruitment methods. Mentoring, job shadow experiences, student organization presentations, faculty luncheons, and our community beyond the recruitment process. The most effective recruiting comes from building relationships with students, faculty and staff. Employers often have the opportunity to interact with the UT community beyond the traditional recruitment methods. Mentoring, job shadow experiences, student organization presentations, faculty luncheons, and our Focus On programs are just a few of the opportunities to build a brand for your organization. Become a UT partner by visiting the Career Services website, www.ut.edu/career, and completing a Volunteer Form found under Employer Services.

Effective recruitment of talent is easy at UT!

- **Job and Internship Postings**
  - Top talent is available at your fingertips by posting your full and part-time job and internship opportunities on HIRE-UT, our web based job posting board specifically for UT students and alumni. Visit our website www.ut.edu/career, to request access and begin posting positions today.
  - **Online Resume Books** Peruse online resume books on HIRE-UT of students and alumni who choose to submit their resumes for review.
  - **On-Campus Recruitment**
    - Plan a day of individual full-time professional or internship interviews hosted on UT’s campus. The Office of Career Services will take care of all the logistical details and scheduling of student interviews. You simply provide your customized schedule request and a job description in preparation for your interview day.

- **Information Sessions**
  - Increase awareness of your organization and available opportunities by presenting information in a classroom style.
  - **Job Fairs**
    - More than 400 employers increase their talent recruitment and market their organizations through a variety of job fairs hosted on UT’s campus. Recruiters successfully recruit interns, full-time professionals and part-time employees at these events.
  - **Consortium Recruiting Event**
    - Join the Colleges of Central Florida Career Consortium for the annual EXPLO/Job Fair. Network with over 500 qualified students from these highly respected private colleges and universities. Visit the consortium website for more information, www.ccfcc.com.
  - **Virtual Career Fairs**
    - A “virtual career fair” is an opportunity for you to provide your full-time position(s) to be posted for a one-week time period each semester. The event will be heavily advertised to students as an official job fair. Your organization’s name and opportunities will be included in marketing to advertise the event. At the conclusion of the week, a bundle of the quality student resumes submitted for your position will be emailed to you.

**Internships: a key to finding talent!**

An Internship is the perfect opportunity for you to gain a skilled student to assist with projects and assignments and to recruit talent for future full-time employment needs at the same time. Students come with research, problem-solving, writing and academic skills as well as a fresh perspective and an eagerness to learn. The Office of Career Services can assist you in building a comprehensive internship program and promote your opportunities to qualified students.

About The University of Tampa

The University of Tampa is a medium-sized comprehensive, private university located on approximately 100 acres of prime riverfront land in the heart of downtown Tampa. It is the school of choice for 5,600 students from 50 states and U.S. territories and almost 100 countries. The University offers more than 100 areas of study and pre-professional programs through a strong core curriculum rooted in the liberal arts. The University is comprised of four colleges and graduate programs.

- **College of Arts and Letters** Majors include Art, Communication, English and Writing, Language and Linguistics, Music, Philosophy, Speech, Theatre and Dance.
- **College of Natural and Health Sciences** Biology, Chemistry and Physics, Exercise Science and Sport Studies and Nursing are the major included.
- **College of Social Sciences, Mathematics & Education** Majors include Criminology, Education, Government, History, Sociology, Mathematics and Psychology.
- **Graduate Programs**
  - Graduate programs are offered for Master of Arts in Teaching, Master of Education, Master of Business Administration, Master of Science in Accounting, Master of Science in Finance, Master of Science in Marketing, Master of Science in Nursing, Master of Science in Technology and Innovation Management and Certificate in Nonprofit Management and Innovation. The MBA program is one of the largest in Florida and is one of the elite private schools in the Southeast to have AACSB accreditation.
- **Centers and Institutes**
  - The University of Tampa is home to five specialized centers that contribute resources and expertise to the curriculum, its students, and the national and international business communities. They are: Center for Ethics, TECO Energy Center for Leadership, Naimoli Institute for Business Strategy, Florida Entrepreneur and Family Business Center, and Florida Directors’ Institute.
