Unusual Enrollment History Appeal
2015-16

The U.S. Department of Education has selected your Free Application for Federal Student Aid (FAFSA) for verification of Unusual Enrollment History. Our financial aid office was required to review your financial aid history over the past four academic years to determine that you have earned academic credits at each institution you received federal Pell grant or Direct Loan funding. During this review, we found there was at least one school at which you received federal Pell grant or Direct Loan funding and did not earn any academic credit.

In the space provided on this page, explain your particular situation. Attach supporting documentation such as a doctor’s statement, medical bills, or newspaper obituary. Your explanation and supporting documentation will be evaluated to determine if you are eligible to continue to receive federal student aid funding.
