THE UNIVERSITY OF TAMPA MISSION STATEMENT

The University of Tampa is a comprehensive, independent university that delivers challenging and high quality educational experiences to a diverse group of learners. Four colleges offer more than 100 programs of undergraduate study through a core curriculum rooted in a liberal arts tradition. Beginning with an innovative first-year student experience, University of Tampa students explore global issues, examine career possibilities, and refine communication and critical thinking skills. Professional masters programs in business, nursing, and education and an Evening College exemplify the University’s commitment to the professions and to the community.

The University’s 100-acre residential campus in the heart of downtown Tampa provides an historical and cultural setting for learning both on and off campus. Valuing the community’s international heritage, the University attracts students, faculty, and staff from around the world with diverse backgrounds to facilitate intercultural awareness and understanding.

The University is committed to the development of each student to become a productive and responsible citizen. To this end, the University ensures that students balance “learning by thinking” with “learning by doing.” Students are taught by highly qualified, experienced faculty members who are committed to teaching, academic advising and continued intellectual growth. Classes are conducted in personalized settings in which learning is enhanced through application. Students participate in learning partnerships with faculty and the community through independent studies, internships, research, and other practical experiences that complement classroom learning. The University’s academic services and co-curricular activities support individual discovery and development and provide leadership opportunities. Involvement and participation inside and outside the classroom are valued. Through complete engagement with the educational environment, UT students are prepared for careers, graduate and professional education, and lifelong learning.
WHAT IS THE BOARD OF FELLOWS?

The Board of Fellows primary focus is to serve as “goodwill ambassadors” for The University of Tampa by increasing visibility and strengthening ties within the Tampa Bay business community. The Board is comprised of distinguished men and women who are successful business and community leaders. The Fellows also provide financial support to The University of Tampa’s Annual Fund. The membership enjoys fellowship and networking opportunities through various professional and social functions held for the Fellows each year. 

The Fellows’ fiscal year runs from June 1 through May 31. The annual dues of $250 are invoiced at the beginning of the Fellows’ fiscal year and are used to support Fellows’ activities. Fellows’ membership also includes 12 tickets to the Fellows Forum ($480 value). The Annual Fund contribution of $1,000 is preferably made by Dec. 31, however it becomes payable and due prior to the end of the Fellows’ fiscal year on May 31.

THE UNIVERSITY OF TAMPA

BOARD OF FELLOWS

BYLAWS

ARTICLE 1

Name

The organization shall be known as the Board of Fellows of The University of Tampa.

ARTICLE II

Objective

The Board of Fellows, authorized by The University of Tampa Trustees, provides a vehicle for recognizing and honoring those who have rendered significant service to the University in the past. It further recognizes community leaders whose affiliation with the University can be strengthened only as further opportunities for service are provided. The Fellows individually and collectively identify activities, projects, and programs which will benefit the University and work together for their implementation.

ARTICLE III

Membership

Section 1: Membership is limited to those who have a continuing interest in the University, its growth and development, support it to the best of their ability by participating in the various Board of Fellows and other University of Tampa sponsored events, the University of Tampa’s Annual Fund Campaign, and acting as a referral source for endowment gifts and for students whom they feel will be best served at an independent institution with ever more demanding academic standards.

Section 2: The Membership Committee will work with Fellows’ members and the community to recruit new members for the Board of Fellows. The Steering Committee shall review and approve all nominations.

Section 3: The Chairman of the Board of Fellows shall serve as a member of the Board of Trustees and selected members of the Board of Fellows shall serve on the Board of Trustees’ Committees.

Section 4: Each year individuals whose contributions to the University and to the Board of Fellows merit special and lasting recognition, but for various reasons are unable to participate fully in the Board’s activities, may be named as Honorary Members with all rights and privileges enjoyed by regular members, except they are exempt from payment of dues.

Section 5: Members shall make an annual contribution to the University’s Annual Fund Campaign of at least $1,000 (Minaret Society Bronze level) or assist in soliciting at least $1,000 on behalf of the University’s Annual Fund Campaign, and those funds will be awarded each fall to deserving University of Tampa students so named “Fellows Scholars.”
ARTICLE IV

Financial Support of Activities

Section 1: An amount to be contributed by each member to underwrite the Board’s activities and events shall be determined each year by the Steering Committee. Checks are made payable to The University of Tampa Board of Fellows and posted in a special Board of Fellows account available to the Board for expenses, projects and programs identified and approved by the Steering Committee of the Board. Such amount is in addition to each member’s participation in the University’s Annual Giving campaign.

Section 2: Board of Fellows activities are expected to be self-supporting and payable from the Board account. The Board is not authorized to embark on any project or activity which in any way involves a financial liability to the University without prior approval from a University official empowered to commit University funds.

ARTICLE V

Meetings

At the direction of the Chairman, meetings may be held as often as required to inform members of activities and to carry out the Fellows’ objectives. An annual meeting shall be held at the end of each May to report achievements, recognize volunteer leadership, install new officers and introduce new members.

ARTICLE VI

Government

Section 1: The officers of the organization shall consist of a Chairman, Chairman-Elect, Secretary and Treasurer. The term of service of the officers shall be one (1) year. The Chairman and Chairman-Elect shall be elected by the Steering Committee with the concurrence of the outgoing Chairman. Other officers shall be appointed by the Chairman.

Section 2: The Steering Committee shall be comprised of the officers, past chairman, college liaisons, the chairmen of each committee established by the Chairman and the Fellows representatives serving on the Board of Trustees committees. Members so named shall be members of the Board of Fellows in good standing who accept the appointment and the responsibility of providing leadership for the organization in a dedicated and exemplary manner.

Section 3: The duties of the Chairman are those usually understood to pertain to a presiding officer, including: call and preside at all meetings, appoint committees in cooperation with the Steering Committee, initiate programs of activity, and at the completion of his or her term of office, assume responsibility for the change of leadership and closing the year’s activities. The Secretary and Treasurer shall assist the Chairman to carry out the programs of the Fellows. Specifically, the secretary shall assist in the preparation of agendas, keep minutes of the meetings and other related administrative duties as requested by the Chairman. The Treasurer shall be responsible for the Board’s finances, as well as tracking dues and related accounts receivables and other such administrative duties as requested by the Chairman.

ARTICLE VII

Amendments

Such amendments are effective immediately unless the motion to amend specifies a specific time for affecting the change.

BOARD OF FELLOWS COMMITTEES

COMMUNITY BUSINESS EVENTS

Business Network Symposia
The Board of Fellows hosts three Business Network Symposia per year. These events are typically held in November, January and April. Each Business Network Symposium features business leaders of three Tampa area companies that are well-known but changing, new and emerging, or new to the Tampa Bay area. These business leaders are given the opportunity to share their accomplishments and plans with the business community. These events attract an average of 250 local professionals and offer networking continental breakfast prior to the program. The Business Network Symposia are complimentary and open to the public, thanks to the generosity of the program sponsor.

Fellows Forum
The Board of Fellows’ flagship event is the Fellows Forum. The Fellows Forum brings together a distinguished panel of CEOs of national prominence to share their perspectives on current issues of importance. This annual event, held since 1987, attracts over 1,000 attendees. As members of the Board of Fellows, each Fellow receives 12 tickets to the Fellows Forum (valued at $480). Tickets to the Fellows Forum are sold for $40 each through the Greater Tampa Chamber of Commerce and UT’s Community Relations office.

Top Shot Tournament
Fellows partner with the Board of Counselors to host the Annual Top Shot Sporting Clays Tournament to raise funds for UT scholarships and athletics. The Top Shot event is held in March and provides a wonderful opportunity to invite business associates to participate in a UT event.

PROGRAMS

Grant Program
All proceeds from the Fellows fundraisers benefit The University of Tampa through academic grants for faculty, Fellows Named Scholarship and the Fellows Endowment, which provides scholarships to the students enrolled in the Sykes College of Business.

Named Scholarship Program
Scholarships are a growing and vital component of the overall tuition-assistance program at UT. Those scholarships funded at the $1,500 level qualify as a named scholarship. Organizations and corporations also enjoy good community relations, can develop internships and may establish potential employee relationships by sponsoring named scholarships.

MEMBERS ONLY EVENTS

Members Only Socials
Members only socials offer hosts the opportunity to showcase their place of business. These casual socials can be held at a place of business or home. These events are for members only unless otherwise defined, and are not open to guests.

Minaret Society Dinner
The Minaret Society Dinner is The University of Tampa’s black tie event to thank the University’s most esteemed and loyal benefactors for their gifts of $2,500 or higher to the University within a fiscal year. Fellows contributing to The University of Tampa at the Minaret Society Silver Crescent Level or above will receive a formal invitation to the Minaret Society Dinner held on the first Friday of November.

The University of Tampa Board of Fellows Grant Program

The Board of Fellows instituted a grant program during the 2009-2010 academic year. The purpose of the grant program was to embrace and support the University’s expansion to a four-college structure. The Board of Fellows grant program provides funds to the College of Arts & Letters (CAL), College of Natural and Health Sciences (CNHS), and College of Social Sciences, Mathematics and Education (CSSME) faculty. The Fellows support the College of Business (COB) through its Endowed Scholarships and other programs.
