On Campus Safety Escort Service

The safety escort service is provided by the Student Government LASER Team (Law Abiding Students Ever Ready) during fall and spring terms for University community members in need of transport assistance whether due to injury, disability, adverse weather (not including severe storms with lightning) or for general safety.

Upon request, a student will be assigned an escort to the requested on-campus destination. In addition, the escort service, when not en route to a destination, is on motorized patrol and will offer assistance to pedestrians who are walking alone at night on campus.

For a safe escort, please call campus ext. 4515 or (813) 257-4515 during the team’s hours of operation:

**Days:** Monday–Thursday.....9:30 a.m.–1:30 p.m.  
Friday ....................11 a.m.–3 p.m.  
**Nights:** Sunday–Wednesday......7 p.m.–1 a.m.  
Thursday–Saturday........7 p.m.–2 a.m.

Those interested in a work-study position on the LASER Team should check HireUT for any availabilities and follow the instructions provided.
