

## Meeting Spartan Studies Distribution Requirements with Major Coursework

The Spartan Studies program allows for one distribution category to count for both Spartan Studies and for the major. The following list identifies, based on required courses or elective categories within a major, which distribution category, if any, will be automatically met by the major. Students and advisors may wish to consult this list as they are making an academic plan.

### *Distribution Categories*

NSD – Natural Science

SSD – Social and Behavioral Science

TBH – Text-based Humanities

VPA – Visual and Performing Arts

### *College of Arts and Letters*
