

4+1 MBA

The University of Tampa's unique 4+1 MBA allows students to combine any undergraduate business major with an MBA, earning both degrees in as little as five years! This accelerated offering requires a reduced number of credit hours and includes two internships. Students may choose one of nine MBA concentrations, including business analytics, cybersecurity, entrepreneurship, finance, information systems management, innovations management, international business, marketing and nonprofit management.

BENEFITS

- GMAT waived
- No application fee
- Simplified application process
- Personal statement and recommendation letters waived (only a résumé is required)
- Significant financial saving in tuition costs
- Earn your MBA in as little as one year after graduation

Get a jumpstart on your career while saving time and money!

UNDERGRADUATE BUSINESS DEGREE → MBA

STEP ONE: Earn a B or better in eight core undergraduate business courses, with an overall GPA of 3.25 or higher.

STEP TWO: Complete one approved internship before the last semester of your senior year.

STEP THREE: Apply for the 4+1 MBA.

STEP FOUR: Take three graduate-level courses in the last semester of your senior year (at undergraduate tuition rate).

STEP FIVE: Earn your undergraduate degree and transition immediately into the MBA program!
