

Effectiveness in Meeting Goal 2

Effectiveness in meeting this goal is demonstrated by the following outcomes for the most recent cohort:

- Graduation rate: **100%**
- Attrition rate: **0%**
- 100% of graduates achieved **Level 3 competency expectations** at graduation
- **93.8%** passed the summative evaluation on the first attempt
- **100%** passed after remediation, when required
- Clinical preceptor ratings averaged **above 4.5/5** in communication, interpersonal, and professional domains

These results demonstrate that graduates are prepared for entry-level practice and patient-centered care across the program's defined competency domains.
