ELECTRIC SCOOTERS ON CAMPUS

While UT encourages alternative transportation, due to health and safety concerns the UT campus is considered a “no ride zone” for electric scooters. UT and local community members who choose to use rented electric scooters are asked to leave them at the vendor’s off-campus scooter corrals or at a safe, unobtrusive site on the perimeter of campus. Additionally, electric powered scooters may not be charged in or near University buildings, including but not limited to, offices, residence halls and dining facilities.

PARKING POLICY OPTIONS

- Visitors are only required to have a parking pass Monday–Friday, 7 a.m.–5 p.m. or if the vehicle will be on campus overnight. Visitor parking passes are obtained via online request and must be made one business day prior to visiting.
- It is illegal to park anywhere on campus other than a clearly marked parking space. The absence of “No Parking” or “Fire Lane” signs, lack of curb paint, or an area with traffic on both sides of the road for vehicles to park does not indicate that parking is permitted.
- Parking is not allowed on North A St., Broadview Ave. or UT Poe Parkway.
- To ensure optimal parking availability and safety for University community members, visitors, parking rules are always enforced. This includes breaks, closures, or university operational changes.

BICYCLES ON CAMPUS

Students, faculty and staff can register their bikes with the Campus Safety office.

All bicycles should be properly locked to one of the bike racks on campus. For lost and found items, contact the Campus Safety office.
