COPYRIGHT AND DISTRIBUTION AGREEMENT FORM

STUDENT NAME: _____

TITLE OF WORK: _____

FACULTY ADVISOR: _____

This form provides copyright information and distribution options for your original work / paper. By giving your express permission you are agreeing to the following Copyright and Distribution Agreement.

You certify that the composition you are submitting is your original work and that you have the right to grant the permissions contained within this agreement. You also certify that, to the best of your knowledge, your work does not infringe upon anyone else's copyright, patent rights, trade secrets, or trademarks, nor does it constitute defamation, invasion of privacy, or other rights of any person or entity. Any and all material such as video, images, music, or data sets owned by third parties and included in your work must be acknowledged and appropriately cited. When legally required, signed statements have been attached from the owners of any such material, allowing distribution as specified in this form.

Acta Spartae does not require that copyright on your work be transferred to the journal. You, as the author or creator of the submitted work, retain all ownership rights to the copyright of your work. You also retain the right to use all or part of your submission in any or all future works. Granting rights for *Acta Spartae* to publish and/or distribute an article does not preclude later copyright assignment. Authors are therefore free to publish submissions that appear in *Acta Spartae*. Authors may wish to inform the journal publisher that a prior non-exclusive license exists before transferring copyright or granting a publication license. Please check the policies of any potential publication venue before submitting your work to *Acta Spartae*.

Although *Acta Spartae* does not require copyright transfer, the journal does require sufficient rights to distribute the article in perpetuity. To submit an article to *Acta Spartae*, one of the following conditions must be satisfied.

You may either:

1. Grant *Acta Spartae* the following non-exclusive and irrevocable license to distribute the article, and certify that they have the right to grant this license:
 - I grant *Acta Spartae* a perpetual, non-exclusive license to distribute this work.
 - I certify that I have the right to grant this license.
 - I understand that submissions cannot be completely removed once accepted.
 - I understand that *Acta Spartae* reserves the right to reclassify or reject any submission.
2. Certify that the work is available under one of the following Creative Commons licenses and that they have the right to assign this license:

Creative Commons Attribution International
(CC BY 4.0)

Creative Commons Attribution-ShareAlike International
(CC BY-SA 4.0)

Creative Commons Attribution-Noncommercial-ShareAlike International
(CC BY-NC-SA 4.0)

3. Dedicate the work to the public domain using the following license:

Creative Commons Public Domain Dedication
(CC0 1.0)

You also agree that *Acta Spartae* may, without changing the content, typeset or convert your accepted submission to any medium or format necessary for the purpose of long-term preservation. Responsibility for any copyright infringement of your work, downloaded from said digital environments will fall solely upon the infringing user. Publication in *Acta Spartae* includes disseminating the work freely online in the University of Tampa Macdonald-Kelce Library Institutional Repository.

Authors should take care to submit only if they are certain that they will not later wish to publish it in a journal that strictly prohibits prior distribution. *Acta Spartae* will not remove any article to comply with such a journal policy—the license granted on submission is irrevocable.

Please read the above distribution options, check the appropriate box, and then confirm that you have reviewed them by filling in your name, email, and date and having your faculty advisor do the same. A digital copy of this form will be retained by *Acta Spartae*. A copy of the agreement will also be mailed to you and to your faculty advisor.
