

Bob Clark

President of Tampa Steel Erecting Co.

Bob Clark, Jr. is President of Tampa Steel Erecting Company, Florida's oldest "surviving" structural steel fabricator, in business since 1945. Fabrication and erection projects include EPCOT's Spaceship Earth, Sea World's Shamu Stadium, The Florida Aquarium – Tampa, forty-story Tampa City Center, and Tampa International Airport's Airside F. Award winning steel bridge fabrication projects are Storrow Drive, Boston; 48th Street and FDR Drive, New York; Mile Marker 159, Garden State Parkway, New Jersey; Casco Bay Drawbridge, Portland, Maine; and "The Yellow Bridge" in Atlanta, 17th Street over I-75 and I-85, and recently the Gateway to Dallas, Twin Arch Bridges, 300 feet high spanning 1,125 feet, a Santiago Calatрева project.

Bob has a Civil Engineering Degree from Georgia Tech and an MBA from the University of South Florida. Bob is on the Board of The Greater Tampa Chamber of Commerce, Visit Tampa Bay, Floridians for Better Transportation, and Florida Transportation Builders Association. Bob has been Executive Director of Miss Tampa Pageant for over 25 years. Membership Include Tampa U-Board of fellows, Southern Association of Steel fabricators, National Steel Bridge Alliance, American Road and Transportation Builders, Leadership Tampa and Tampa Bay Alumni and CEO Council of Tampa.
