

## STEVE LUX

Mr. Lux is responsible for the overall operations of Stonehenge Growth Equity Partners, including sourcing, underwriting and executing the firm's growth equity investments. Since 1999, Mr. Lux has made investments in 19 growth stage businesses located in Florida.

Mr. Lux is active in the regional venture investing community. He currently is the former chairman of Florida Venture Forum, and has chaired the Selection Committee for Florida Venture Forum's annual conference for more than a decade. During Mr. Lux's tenure as Chairman of the Selection Committee 152 companies have presented and raised in excess of \$450 million. Mr. Lux also serves on the Board of Fellows and College of Business's Entrepreneurship Program committee at University of Tampa. He has guest lectured at University of Tampa and University of South Florida and served on various panels discussing venture capital related topics across the state. Past board memberships include Tampa Bay Technology Forum and the local chapter of Association of Corporate Growth.

Mr. Lux currently serves on the Board or as an observer of Proficient Auto Transport, Health Integrated, Dixie-Southern, Ott-Lite Technologies, MobileHelp, Thrive and Payformance. He formerly was a director of EDR and RedVector, and board observer for AuthenTec and Image Guided Neurologics. He resigned from these boards in conjunction with AuthenTec's successful IPO and the successful acquisitions of Image Guided Neurologics, EDR and RedVector.
