## **Kristin Greco, CEO**

**PAR, Inc.**

Kristin Greco, MBA, is the chief executive officer of PAR, a global publisher of psychological assessment resources based in Lutz, FL. Used primarily by licensed psychologists and other mental health professionals, PAR's industry-leading tools are deployed in a variety of settings including hospitals, schools and universities, private practice, and government/military. InVista, a division of PAR, offers solutions that measure employee wellbeing and provide talent insights for hiring and development.

Kristin obtained her bachelor's degree from Emory University and her MBA from St. John's University in Rome, Italy. Kristin enjoys spending time with her husband, Dan, and their three children. She is also deeply involved in a variety of non-profit organizations including the Crisis Center of Tampa Bay, Meals on Wheels, and Chapters Health/LifePath Hospice.
