Thomas Vacca, Enterprise Strategy

Florida Blue

Thomas Vacca served 6 years in the United States Air Force at MacDill Air Force Base in Tampa, Florida. During his service, he completed one tour of duty in the middle east during Operation Iraqi Freedom. While serving in the air force, Vacca completed his undergraduate degree in psychology at The University of Tampa with cum laude distinction. Upon matriculation, he went on to complete his master's in public health from the University of Louisville with a concentration in biostatistics. Vacca has been in the healthcare analytics sector for 6 years and currently is employed with Florida Blue as a consultant for executing analytics and data strategy.
