

BSN in Nursing at the University of Tampa: Degree Requirements 2019-2020

This summary of degree requirements is intended to assist prospective students with a general timeline for degree completion. For official degree requirements, refer to the current UT catalog at www.ut.edu/catalog.

Students must complete the below requirements for a BSN in Nursing:

A student seeking to enter the four-year BSN program initially applies to UT as a regular undergraduate student pre-nursing major. With completion of a majority of the Nursing prerequisites, the student applies for admission into the Nursing program. Students can apply to the Nursing program with pre-requisites still pending as long as the remaining pre-requisites are completed by the end of the semester in which the application is submitted. A cumulative GPA of 3.25 is required at the time the application is submitted, for the application to be considered for review. Please review the catalog or speak with the Nursing Admissions Counselor for additional information.

Prerequisites:

Course #	Course Name	Credits
AWR 101	Writing and Inquiry	4
AWR 201	Writing and Research	4
SOC 100	Introduction to Sociology	4
