All students must sign up for a move-in time and may arrive during that move-in time only. Please bring a copy of your move-in appointment confirmation.

All new residential students checking in should report to their assigned residence hall.

New students may have no more than two guests to assist them during their three-hour move-in window. After the move-in window has ended, all guests must depart.

Students and their guests must wear a facial covering while in the presence of staff inside common spaces in the residence hall. Facial coverings may be removed while in the student’s room with the door closed.

Vehicles may remain in unloading zones while students are unloading items and moving them into rooms only. Students must move their vehicles to West Parking Garage prior to unpacking their items.
