## EDUCATION

### Old Dominion University

<b>2013</b>	<b>Ph.D.</b>	Education
	Focus	Instructional Design and Technology
	Certification	Modeling and Simulation in Education and Training

### Emporia State University

<b>2008</b>	<b>M. S.</b>	Instructional Design and Technology
-------------	--------------	-------------------------------------

### Emporia State University

<b>2007</b>	<b>B.S.</b>	Business Administration
	Concentration	International Business

## ACADEMIC POSITIONS

### **Graduate Coordinator (August 2014 – Present)**

Instructional Design and Technology Program (IDT)  
The University of Tampa  
Tampa, Florida

- Serve as the primary contact for prospective student inquiries and recruitment
- Lead the admissions process for IDT student applications
- Monitor IDT graduate student progress in the program
- Serve as the primary contact for IDT graduate student concerns
- Serve on the university Graduate Council Committee
- Serve in the department Graduate Education Committee

### **Associate Professor (August 2019 – Present)**

Department of Education  
The University of Tampa  
Tampa, Florida

- Teach graduate-level courses in related to instructional design and distance education
- Conduct research related to the fields of educational technology and educational psychology
- Publish and present research findings in peer review journals as well as conferences

**Assistant Professor (August 2013 – August 2019)**

Department of Education  
The University of Tampa  
Tampa, Florida

- Teach graduate-level courses in related to instructional design and distance education
- Conduct research related to the fields of educational technology and educational psychology
- Publish and present research findings in peer review journals as well as conferences

**Darden College of Education Fellowship (August 2012 – August 2013)**

Cognition & Learning Lab  
Old Dominion University  
Norfolk, Virginia

- Work with committee to plan, implement, and finalize dissertation research project
- Use motion, facial, and voice capture equipment and software to develop scenarios
- Manage the development of a computer-based simulation
- Operate eye tracker and FaceReader systems for data collection of physiological measures
- Use statistical package for the social science (SPSS) to conduct quantitative data analyses

**Link Foundation Fellowship (September 2011 – August 2012)**

Cognition & Learning Lab  
Old Dominion University  
Norfolk, Virginia

- Engaged in advanced level study in the area of simulation and training research
- Wrote and designed dissertation research project
- Designed simulation scenario specifications, flow, interactions and measures

**Research Assistant (January 2009 – August 2011)**

Cognition & Learning Lab  
Old Dominion University  
Norfolk, Virginia

- Collaborated in various research projects related to simulation in education and training
- Developed web- and computer-based instructional materials for research
- Utilized eye tracker and face reader systems for data collection of physiological measures
- Supervised and mentored undergraduate student assistants
- Conducted quantitative and qualitative data analyses

**Teaching Assistant (August 2007 – December 2008)**

Department of Instructional Design & Technology  
Emporia State University  
Emporia, Kansas

- Assisted faculty with the instruction of courses in The Teachers College computer labs
- Assisted with the design and development of face-to-face and online courses

**Teaching Assistant (Summer 2008)**

South China Normal University  
Guangzhou, China

- Assisted and lectured in the English graduate level course

**Spanish Tutor (August 2004 – May 2007)**

Department of English, Modern Language, and Journalism  
Emporia State University  
Emporia, Kansas

- Tutored Spanish grammar, proper pronunciation and conversation skills

**HONORS & AWARDS**

- AECT Learner Engagement Division, Outstanding Digital Learning Artifact Award, 2020
- Sabbatical (Spring Semester), University of Tampa, 2019-2020
- AECT Emerging Learning Technologies Division, Immersive Learning Award, 2019
- International Faculty Development Seminar Grant, University of Tampa, 2019 – 2020
- AECT Research & Theory Division Outstanding Service Award, 2018
- CSSME Award for Outstanding Scholarship & Research, 2017 - 2018
- CSSME Special Funds for Teaching Innovation, University of Tampa, 2017 – 2018
- CSSME Special Funds for Teaching Innovation, University of Tampa, 2016 – 2017
- CIEE – International Faculty Professional Development Alumni Scholarship, 2016
- CSSME Special Funds for Teaching Innovation, University of Tampa, 2015 – 2016
- Faculty Exchange Program at the University of Teacher Education Lucerne, 2015
- AERA Learning & Instruction Division New Faculty Mentoring Program, 2015
- International Faculty Development Seminar Grant, University of Tampa, 2014 – 2015
- Teaching Innovation Grant, University of Tampa, 2013 – 2014
- Darden College Doctoral Dissertation Fellowship, Old Dominion University, 2012 – 2013
- Old Dominion University Credit Union Scholarship, 2010 – 2013
- AECT Early Career Symposium, National Science Foundation, 2012
- Advance Simulation and Training Fellowship, Link Foundation, 2011 – 2012
- Professional Development Award, Darden College of Education, 2011 & 2012
- Alan Mandell Award in Instructional Design & Technology, Old Dominion University, 2011

- Gene Newman Award, Training & Education Track, VMASC Capstone Conference, 2011
- Graduate Student Travel Award, Old Dominion University, 2010
- Modeling and Simulation Graduate Assistantship, Old Dominion University, 2009 – 2011
- Instructional Design Outstanding Graduate Student, Emporia State University, 2009
- Instructional Design & Technology Assistantship, Emporia State University, 2007 – 2008
- Gabriela Mistral Award, Sigma Delta Pi National Hispanic Honor Society, 2007
- Beta Gamma Sigma Scholarship, Beta Gamma Sigma Business Honor Society, 2007 – 2008
- Shepherd Scholar, Emporia State University, 2005 – 2006
- Emporia State University Presidential Scholarship, 2004 – 2007

### **GRANTS AND FELLOWSHIP FUNDING**

- **SSHRC Insight Grant (\$99,196)**
  - Hodson, J. (P.I.); Veletsianos, G. (Co-Applicant); Romero-Hall, E. (Collaborator)
  - Sponsor: Social Science and Humanities Research Council of Canada (SSHRC)
  - Award Date: 2020 - 2023
  - Project: “Online Harassment as a Barrier to Research Communication: An Intersectional Approach”
  
- **Undergraduate Research and Inquiry Grant (\$3,607)**
  - Romero-Hall, Enilda (Principle Investigator)
  - Sponsor: University of Tampa
  - Award Date: 2019-2020
  - Project: “Faculty Attitudes towards Multimodal Hybrid Online Teaching and Learning”
  
- **International Faculty Development Seminar (\$5,500)**
  - Romero-Hall, Enilda (Principal Investigator)
  - Sponsor: Office of International Programs (University of Tampa)
  - Award Date: 2019 – 2020
  - Project: “International Faculty Development Seminar in Tunisia”
  
- **Undergraduate Research and Inquiry Grant (\$4,500)**
  - Romero-Hall, Enilda (Principle Investigator)
  - Sponsor: University of Tampa
  - Award Date: 2018-2019
  - Projects: “Lurking for Learning”
  
- **Research Innovation and Scholarly Excellence Award (\$4,024)**

- Romero-Hall, Enilda (Principle Investigator)
- Sponsor: University of Tampa
- Award Date: 2018-2019
- Project: “Lurking for Learning: Undergraduate Students' Behaviors in Social Media”
  
- **Teaching Innovation Grant College of Social Sciences, Mathematics & Education (\$277)**
  - Romero-Hall, Enilda (Principal Investigator)
  - Sponsor: University of Tampa
  - Award Date; 2017 - 2018
  - Project: “Virtual Reality Technology”
  
- **Digital Learning and Social Media Research Group (\$2,000)**
  - Romero-Hall, Enilda (Principal Investigator)
  - Sponsor: Digital Learning and Social Media Research Group
  - Award Date: 2017
  - Projects: “Institutional Social Media in Graduate Education”
  
- **Dana Grant (\$3,047)**
  - Romero-Hall, Enilda and Patrick, Renee (Co-Principal Investigators)
  - Sponsor: University of Tampa
  - Award Date: 2016 – 2017
  - Project: “Increasing Students’ Knowledge of the Aging Process and Their Empathy towards the Elderly through Role-Playing Simulations.”
  
- **Teaching Innovation Grant College of Social Sciences, Mathematics & Education (\$500)**
  - Romero-Hall, Enilda and Patrick, Renee (Co-Principal Investigators)
  - Sponsor: University of Tampa
  - Award Date: 2016-2017
  - Project: “Increasing Students’ Knowledge of the Aging Process and their Empathy toward the Elderly through Role- Playing Simulations”
  
- **CIEE Alumni Scholarship (\$2,000)**
  - Romero-Hall, Enilda
  - Sponsor: Council on International Educational Exchange (CIEE)
  - Award Date: 2016
  - Projects: “Communication Strategies in Context: Culture Learning and Community Engagement Through Digital Tools”
  
- **International Faculty Development Seminar (\$5,500)**
  - Romero-Hall, Enilda (Principal Investigator)
  - Sponsor: Office of International Programs (University of Tampa)

- Award Date: 2014 – 2015
- Project: “International Faculty Development Seminar in Istanbul”
  
- **Teaching Innovation Grant College of Social Sciences, Mathematics & Education (\$900)**
  - Romero-Hall, Enilda (Principal Investigator)
  - Sponsor: University of Tampa
  - Award Date: 2013-2014
  - Project: “Implementation of Asynchronous Video Communication to Increase Self-Regulation and Reflection”
  
- **Darden College of Education Dissertation Fellowship (\$22,076)**
  - Romero-Hall, Enilda (Principal Investigator)
  - Sponsor: Old Dominion University
  - Award Date: 2012-2013
  - Project: “Training effects of Adaptive Emotive Responses from Animated Agents in Simulated Environments”
  
- **Link Foundation Fellowship (\$25,000)**
  - Romero-Hall, Enilda (Principal Investigator)
  - Sponsor: Link Foundation
  - Award Date: 2011-2012
  - Project: “Training effects of Adaptive Emotive Responses from Animated Agents in Simulated Environments”

## **TEACHING EXPERIENCE**

### **Introduction to Program Evaluation**

- Graduate level class
- This course introduces the conceptual and practical guidelines for conducting a program evaluation.

### **Trends and Issues in Instructional Design & Technology**

- Graduate level class
- The purpose of this course is to learn and discuss the instructional design field's history, its current status, and the trends and issues likely to have an impact on the field.

### **Systematic Instructional Design**

- Graduate level class
- The purpose of this course is to enable students to employ systematic instructional design procedures to design and develop effective, efficient, and engaging learning experiences.

### **Management of Instructional Development**

- Graduate level class
- This course is designed to help students understand and comprehend project management principles, processes, and practices.

### **Development of Multimedia Instruction**

- Graduate level class
- The course focuses on the design, development, implementation, and assessment of multimedia-based learning experiences

### **Principles of Learner Motivation**

- Graduate level class
- This course focuses on theories and concepts of human motivation with an instructional design and technology context.

### **Introduction to Distance Education**

- Graduate level class
- This course examines the uses, practice, design, and development of distance learning in education and training environments.

### **Seminar in Instructional Design**

- Graduate level class
- This course includes discussions on such topics as: what it means to be a good graduate student and instructional designer, professional development available for graduate students, career opportunities for IDT graduates.

### **Advance Seminar in Instructional Design**

- Graduate level class
- This course covers topics such as professional development after graduation, networking (face to face and social media), interviewing skills and resume development and development of a professional portfolio.

### **Practicum/Internship in Instructional Design**

- Graduate level class
- This field internship is designed to provide on-the-job experience in developing instructional design and technology competencies. Students will apply the skills and knowledge learned during their Instructional Design and Technology program to a real world workplace.

### **Research in Education**

- Graduate level class
- This course focused on the study of various methodologies in education research, the write up of a proposal, data collection, and data analysis.

### **Special Topics in Education**

- Graduate level class
- Individually mentored students on various applied and research projects.

**Advance Instructional Technology for Educators**

- Undergraduate level class
- Provided technical assistant to students during class meetings

**English**

- Graduate level class
- Discussed with students various topics related to American education and culture
