Mission

The Academic Success Center at The University of Tampa provides academic and exploration support services that will assist students in their pursuit of excellence in higher education. Through seamless collaborations, the ASC provides enhanced services for the empowerment of students to become responsible for their holistic development and academic successes. The ASC's main focus is to prepare students to become self-supporting, life-long learners.

Myths

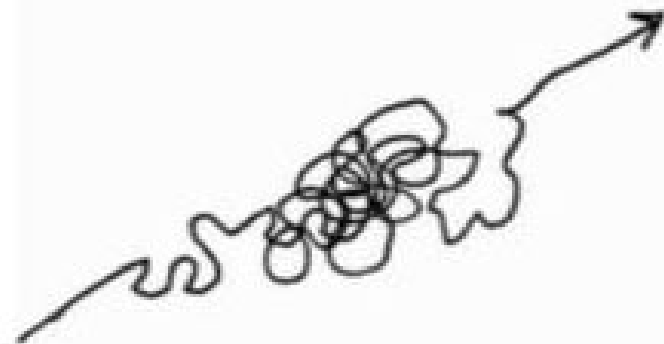

- *Only struggling students need help.*
- *It's too soon in the semester. I'm sure I'll get it sooner or later.*
 - *I'll just go before the big exam.*
- *I have never been good in that subject.*
