Log in to MyUTampa

MyUTampa, powered by Okta, is a single sign-on experience with the same user ID and password used for the UT network. **If you're applying or newly admitted**, please visit [SpartanWeb](#).

The image shows a screenshot of the MyUTampa sign-in interface. At the top, the "MyUTampa" logo is displayed. Below it is a circular profile picture of the Golden Gate Bridge. Underneath the profile picture is the text "Sign In". There are two input fields: the first is for the username, containing the text "warnold", and the second is for the password, which is masked with dots. Below the password field is a checkbox labeled "Remember me". At the bottom of the form is a blue "Sign In" button. Below the button is a link that says "Need help signing in?".
